PAUL AMARO

A gift from St. Elizabeth's, Paul came to us in the sophomore year. He made the J. V. basketball team. Among his contributions to the school are two points in the McClymonds' game. Paul is noted for his fine taste in cars.

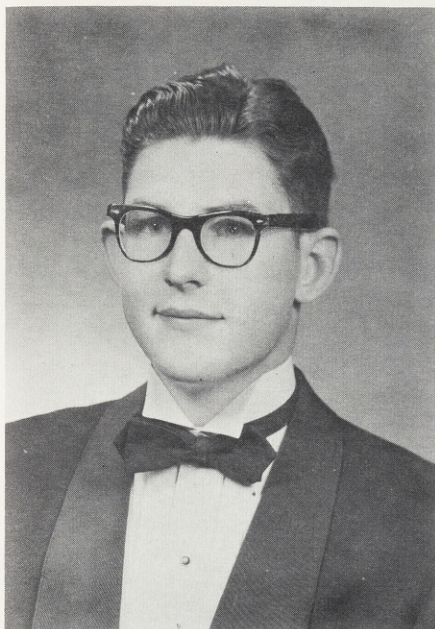

MICHAEL ALEXIEFF

"He may not be tall but he sure isn't small." This most certainly may be said of "Gasball" (the amusing nickname by which Mike is known. He has moved in almost all the extracurricular circles at St. Joseph's. Mike has been varsity baseball and basketball manager for two years and a member of the Block Club. He has been in dramatics for three years, Variety Show for three years, and in the Glee Club in its founding year. Mike has proven to be the source of many good laughs, and for that reason if for no other he is truly "one of the most unforgettable characters" in the class.

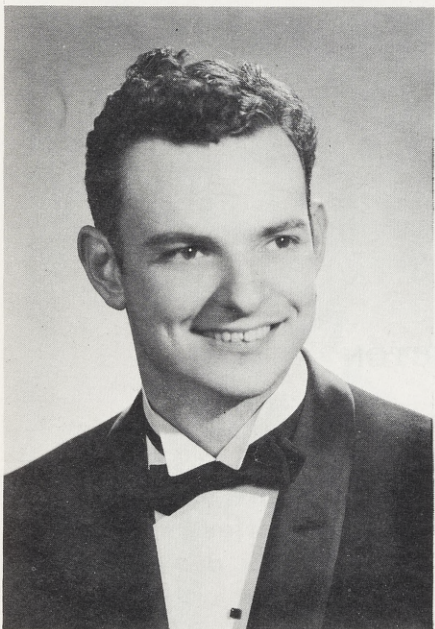

WILLIAM BAUMGARTNER

Willy (better known as Bull) has found time to spark 4 Basketball teams, 2 years J. V., 2 years Varsity. Sports are not his only interests, however, as is shown by his membership in Sodality 4 years (Pres. as Soph.) and 2 years in Variety Show. As one of the dancing dolls this year, Bill acknowledged he was no dancer.

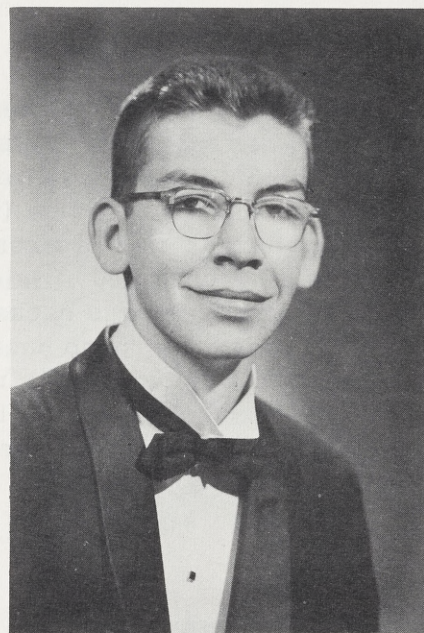

THOMAS BRASS

Tom, better known as "TB", is the seniors' contribution to dramatics. He has been in two plays and three variety shows, has made the CSF at least one semester every year. He was in the Sodality in his frosh and soph years and worked in the bookstore during the last two years.

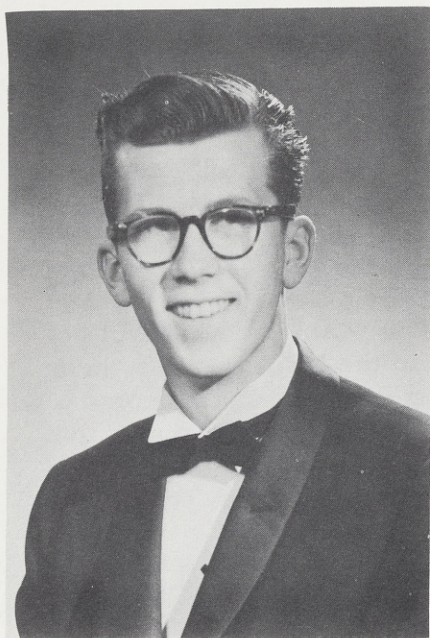

DAVID BOLAND

"Tex" has been with St. Joseph's for the last three years and in that time he has sure left his "brand." For example - scholastic record a "B" average; dramatics two years; speech and debate three years (president in his senior year); Variety Show, two years; school paper, three years; library, two years; and last but not least Dave was in the bookstore for three years. After Tex leaves us at the end of the year he will be going to the Vincentian Seminary. All the senior class wishes the graces of God to accompany you in the many years ahead, Dave.

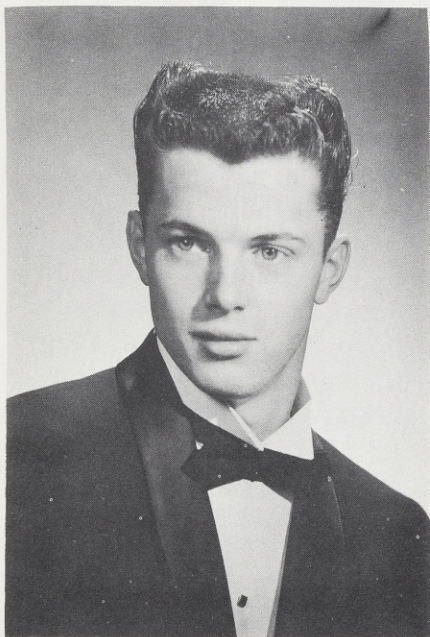

DENNIS BREEDLOVE

Almost every theatrical production which has been presented under the auspices of St. Joseph's has benefited from the back stage work of "Clem" Breedlove. For four years Dennis has labored behind the scenes and helped to bring us some of the finest plays in the history of St. Joseph's. Dennis has been president of the little publicized Biology Club for the last three years. Many of his class will always remember the biology field trips which always turned out to be more fun than work. Dennis intends to take full advantage of his biological interests when he goes to U. S. F. next year.

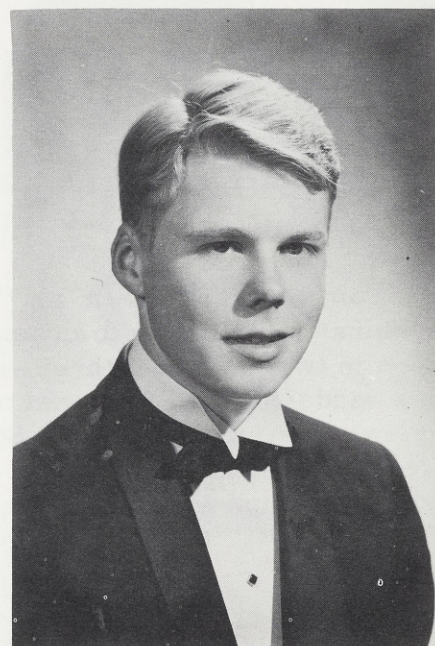

GEORGE CHAMPAGNE

Though George was inherited from the Salesian Seminary just this year, he has fitted into St. Joseph's quite well. George has been active in drama (which he later hopes to pursue as a profession). He was seen as a hardhearted villain in "Meet Me in St. Louis." He was backstage for "Lucifer's Lodge" as prop man. George has managed to keep within the realm of a "B" average (maybe we need a little more inheritance). "Gorgeous" George was a welcome addition to the class.

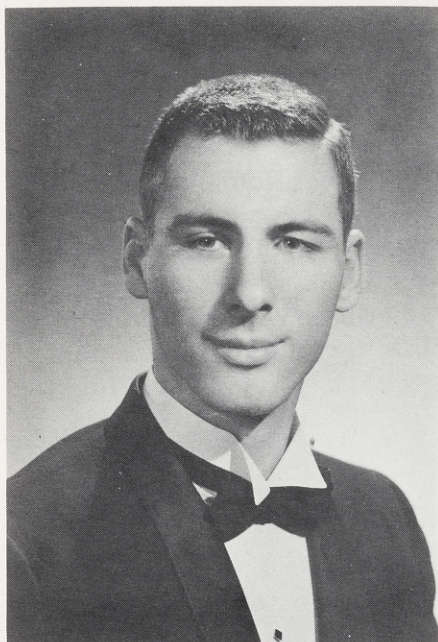

PAUL BUERG

The "Swede" is the school's leading trackman. He was three years on the varsity and one year on the JV's. He won the Rod MacDonald most valuable trophy in his junior year. He also does a bit of acting with four years in the drama club, two plays and three variety shows under his belt.

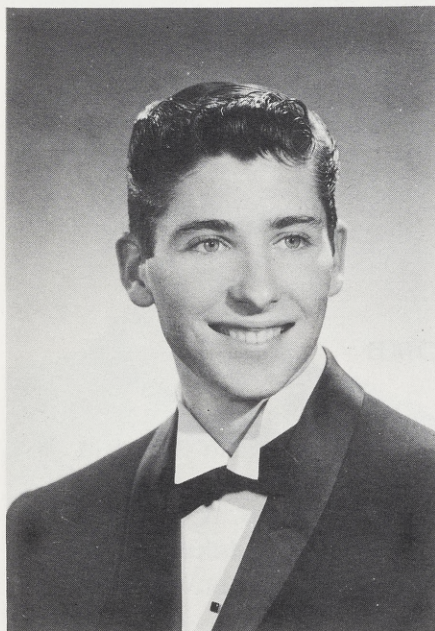

THOMAS CODDINGTON

Tom (better known as the Motorcycle Kid) came to us this year from St. Elizabeth High School. Even though Tom hasn't had much time for any activities, he was active in dramatics and track during his stay at St. Elizabeth's.

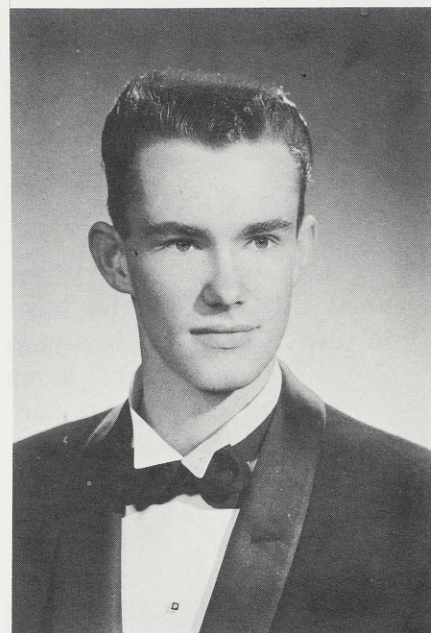

EDWARD CRAGIN

Ed came to us this year from Bishop O'Dowd. He is very attentive in class and does pretty well in his studies. Ed was on the baseball team this year and did a fine job. He is known by most of the seniors as the quietest boy in the class.

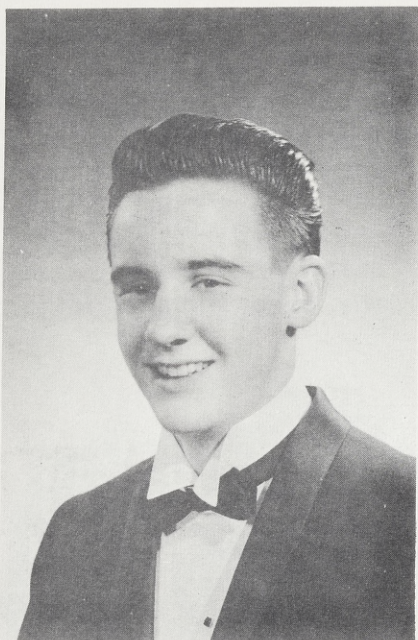

DONALD COUGHLAN

Don was a member of the track, baseball, and basketball teams for several years. Besides being a fine athlete, he was also a class officer and a member of the Sodality. He has been a writer for Contact and a performer in the Variety Show. Don is one of the few who once belonged to the Latin Club.

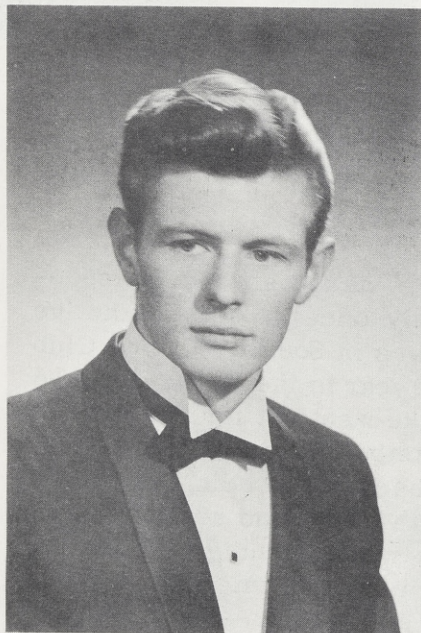

MICHAEL DEVLIN

Dr. "Divine," as it was once mispronounced (but only once) is quite an active fellow. Four years in Sodality, Block Club three years. One year in the library proved too tame so Mike went out for baseball (3 years) and basketball (3 years). Mike has done our class the honor of being our class president for both junior and senior years. His winning smile and friendly personality have made him many lifetime friends.

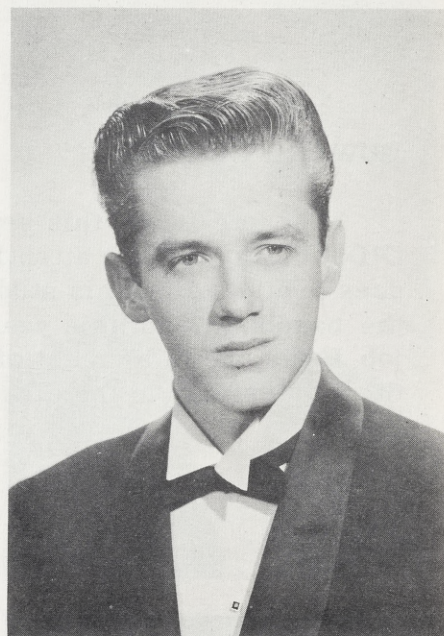

VINCENT HENNEBERRY

Although most of Vince's time is taken up with working, he has spent two years in the Sodality and two years in the Variety Show. Vince bought a car in his senior year - real hot - you can tell by the trail of smoke behind it.

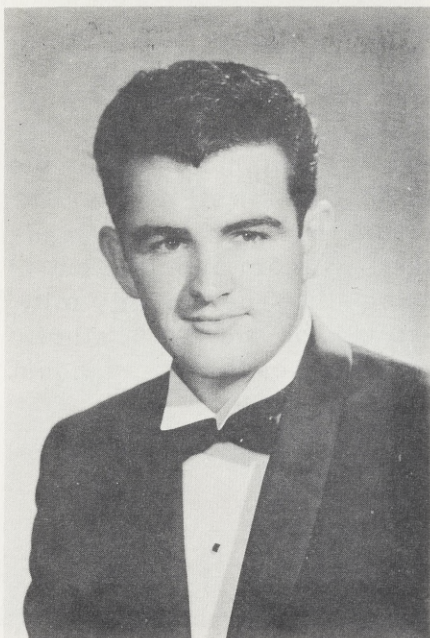

WESLEY GEARY

Wes, having been here for the duration (four years), has most certainly been active in the extracurriculum which our school offers. He has been on the track squad for two years, on the library staff for one year, and also has been in the Sodality. Upon graduation Wesley has decided to volunteer his services to Uncle Sam for a few years in the Navy. Good luck, Wes, and "keep 'em floating."

CLYDE HOLCOMB

Clyde (better known as the Great White Hunter) was very active in the Sodality. He was also a class officer this year and a member of the Block Club. Clyde was on the track squad and the basketball team. He was also in the Variety Show last year.

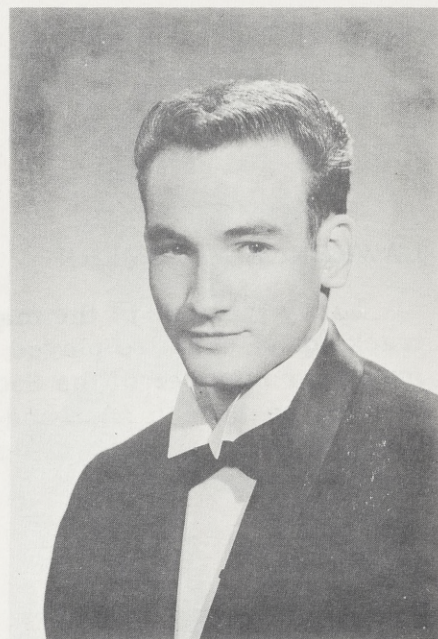

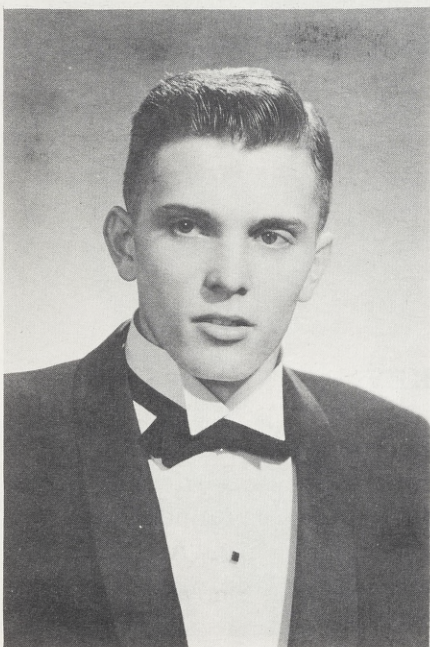

VINCENT KEANE

Vince introduced the 24-hour poker game at St. Joe's. Besides being class card shark, he's found time to spark the basketball team for two years. As a junior he was elected class treasurer, and as a member of the Block Club, he served as vice-president.

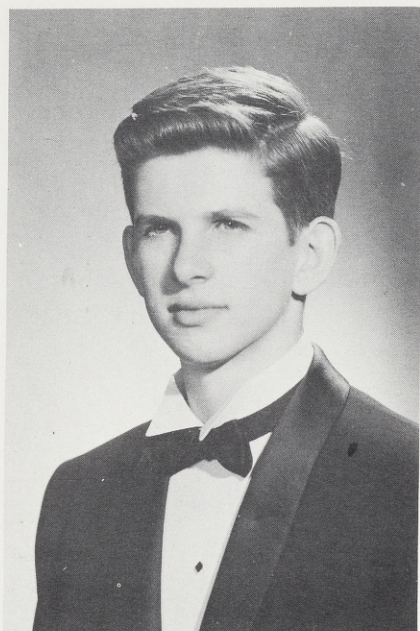

WILLIAM KEARNEY

Bill, with the nicest customized car in school, is a trackman, a three year varsity miler and one year in the JV doings. He has been in one play and a variety show. He was in the Sodality for three years and on the junior prom committee.

DAVID KLEIST

If you ever want a bid, go see Kleist the Beast. He was on the junior prom and Christmas Ball bid committees. Dave wrote for two papers in his freshman year, the Contact and the memorable Frosh Hangar. He was baseball manager and spent one year in Sodality.

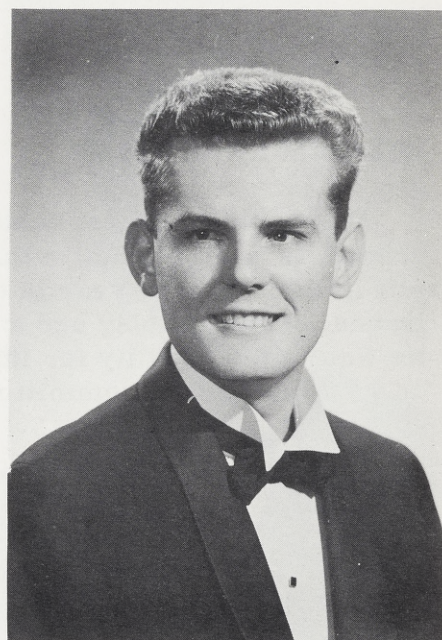

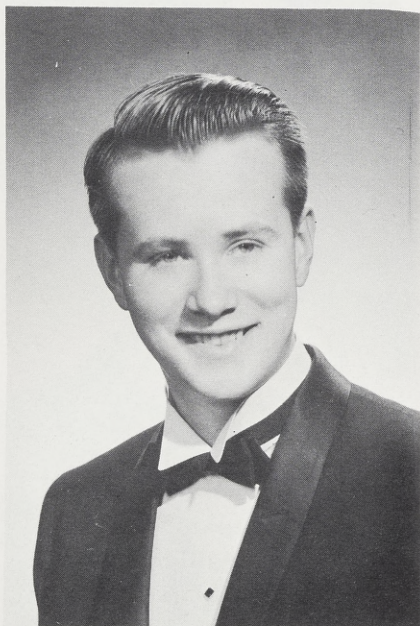

PETER LILLEVAND

Pete was one of the most active boys in the senior class. He qualified as a Life Member of the C. S. F. He has been in the Sodality for four years, as well as a writer for the Contact. Pete has been a real leader on the basketball team and also put in some time on baseball. The "mighty mite" made second-string on the All-Catholic basketball team. Pete served as president of the Block Club.

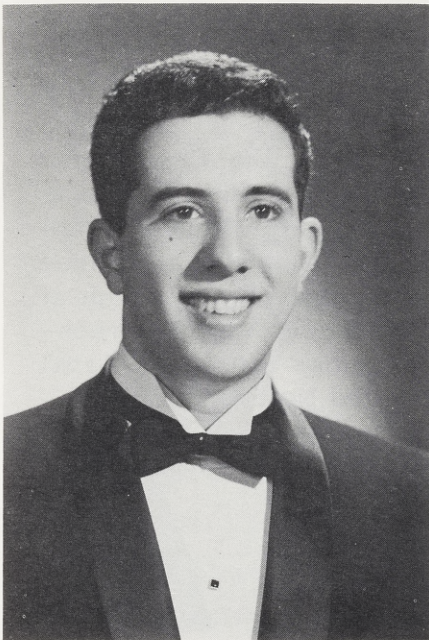

LAWRENCE McGOVERN

Larry was one of the mainstays of the track squad. He also played basketball. A four-year member of the Sodality, he also was in the Speech Club and wrote for the Contact. Larry was a two-year member of the Block Club.

GERALD MACKEY

Jerry is the good-natured fellow with the good word for all. In spite of his working after school, he has found time to spend two years in Sodality. As a senior he was one of the leggy Dancing Dollies in the Variety Show.

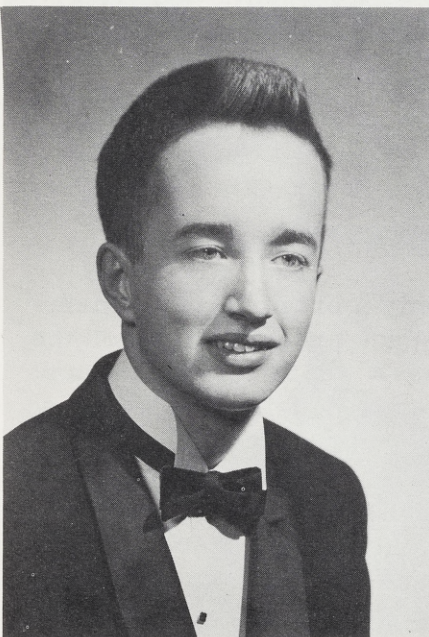

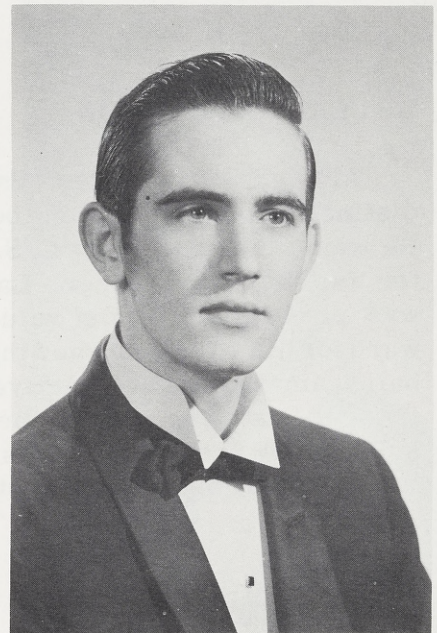

JOHN MOLINARI

"Moe" is one of those "do-everything-boys." Just gander: C. S. F. for three semesters, three years on the stage crew for the plays, in four variety shows, four years in Sodality, president in his junior and senior years. Sports? Sure. Two years varsity baseball and basketball and one year varsity track. He also wrote for the Contact in his spare time.

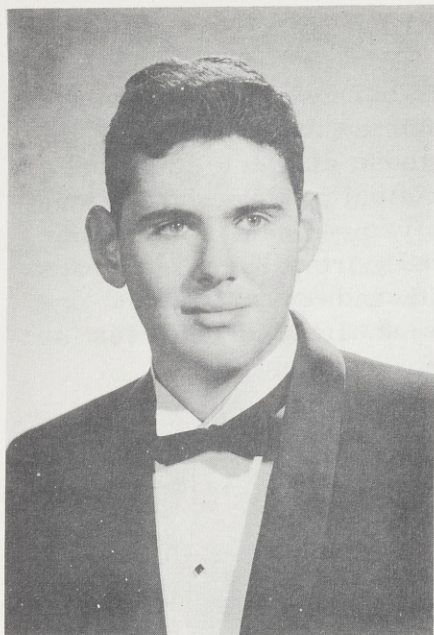

PATRICK MURRY

Patrick is another of the great senior actors. He had the title role in "Lucifer's Lodge" and was in "Papa Behave". He also performed in three variety shows. He has been a member of the Library staff for four years and was head librarian for the last two years. This year he won the Bank of America award for social studies.

GRANT PALMER

Grant came to St. Joseph's in his soph year from St. Elizabeth's. He soon became indoctrinated with the old St. Joe's spirit and was seen at every basketball game thereafter. He wrote the senior article for Contact.

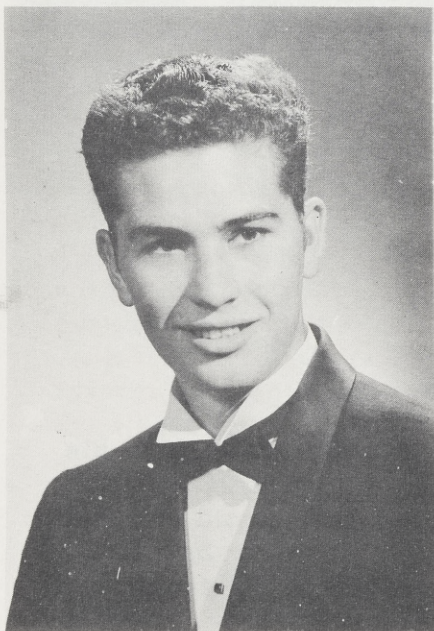

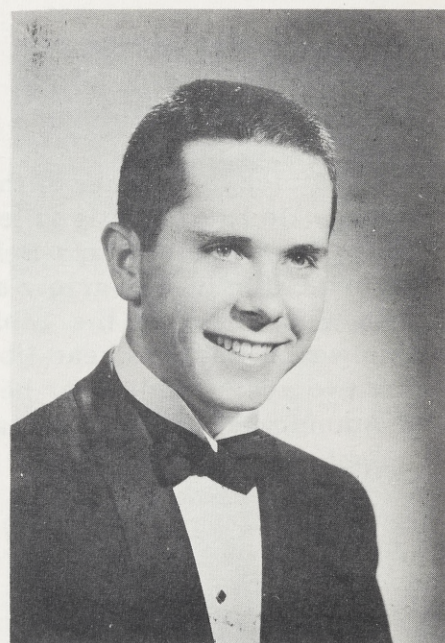

ROBERT POLA

Besides being Brother John's chief plague in Chemistry, Dumbo has found time to be editor (?) of the Contact for two years. He was active in the Dramatics Club for four years, the Variety Show for three years, the Sodality for three years. Besides being particularly adept at demolishing old cars (keeps the auto wreckers in business), he has sparked several plays for St. Joe's and Notre Dame.

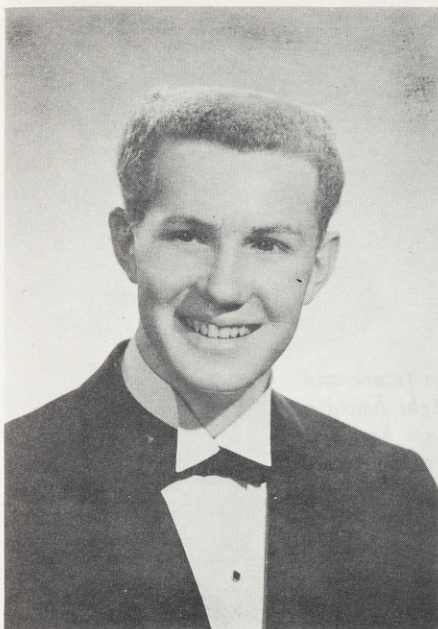

ARLEIGH SANDERSON

Arleigh, often called "Sandy," had the distinction of being student body president. He was a member of the C. S. F. and a writer for the school paper. Last year Sandy was presented the most valuable player award for his excellent showing on the baseball team. He has been active in the Sodality and has been one of the most ardent supporters and participants in the Junior Achievement broadcasting station.

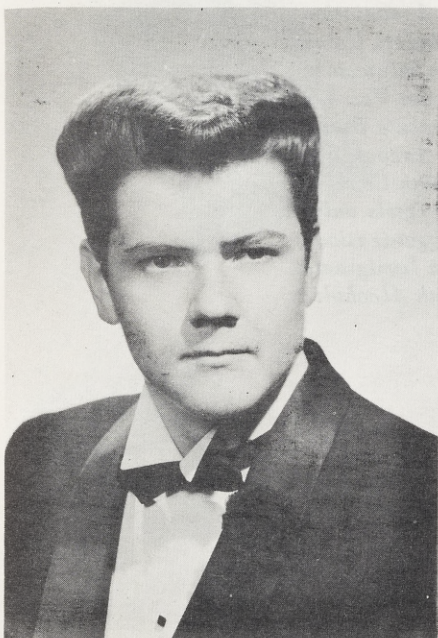

JEFFREY VERHEES

Jeff is not only a brainy C. S. F. member, but has spent probably four of the most active years in St. Joe's history; Contact, three years; Sodality, three years; Block Club, two years; J. V. Basketball, one year; Varsity Baseball, two years. He was also a regular member of dance committees. During Youth City Week he was Alameda's treasurer. Jeff finished his tour with membership on the yearbook staff.

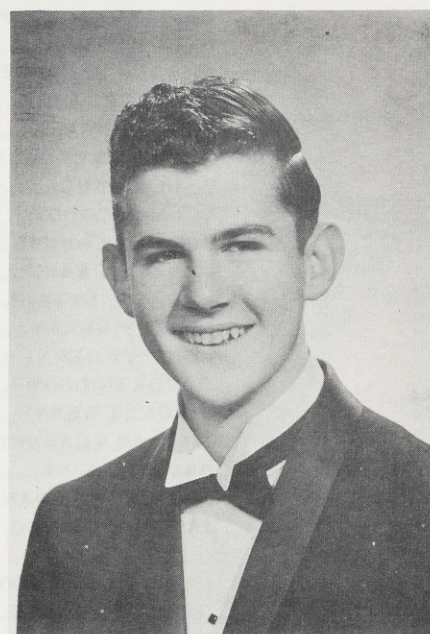

ROBERT WHELTON

Bob is one of those people about whom so much must be condensed into a few words. Even though his scholastic endeavors have maintained an "A" average (Bob also received the Bank of America plaque for excellence in science and mathematics), Bob has participated in Speech Club activities for four years and dramatics for four years. He has taken part in at least twenty speech contests and has crowned his four years with an American Legion trophy. He has held starring roles in six plays and has been in the Variety Show for three years. Bob is the type of fellow of whom St. Joseph's may be justly proud.

TERRENCE VINEYS

You can tell Skinny's around by the smell of Old Spice (he lives in the stuff!). Another one of those active fellows; one year, J. V. Basketball; two years, Varsity basketball; two years, Block Club; three years, Sodality; three years, track; three years, Contact; one year, class treasurer (that was enough!). If you want a dance done right, see Skinny.

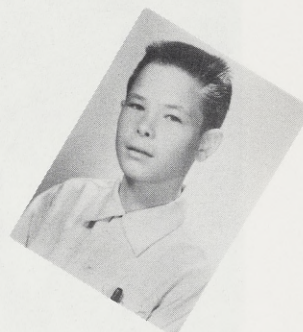

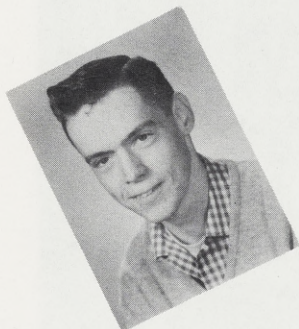

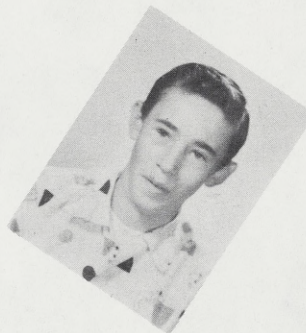

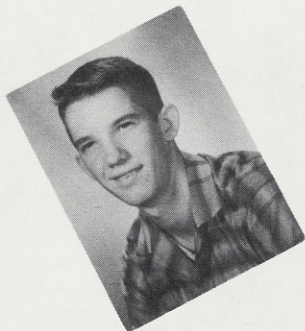

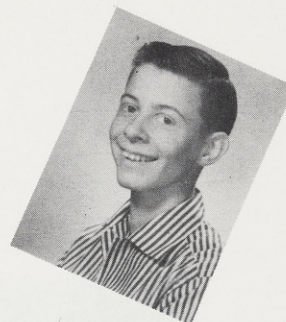

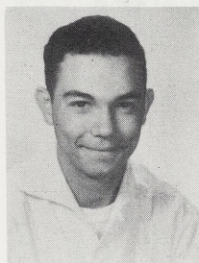

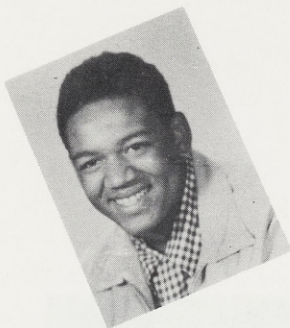

LORENZO ZUNINO

There is no need to mention nationality here because of the fact that Lorenzo is Italian and his nickname is "Greek." Lorenzo is one of the few members of the senior class who can proudly claim to have been a four-year member of the Sodality. He has represented St. Joe's at several Sodality conventions. Lorenzo is always good for a laugh. His lightheartedness has made him one of the best-liked fellows in class. It is good to know that they are still exporting those likeable Genoese like Lorenzo.

Junior A

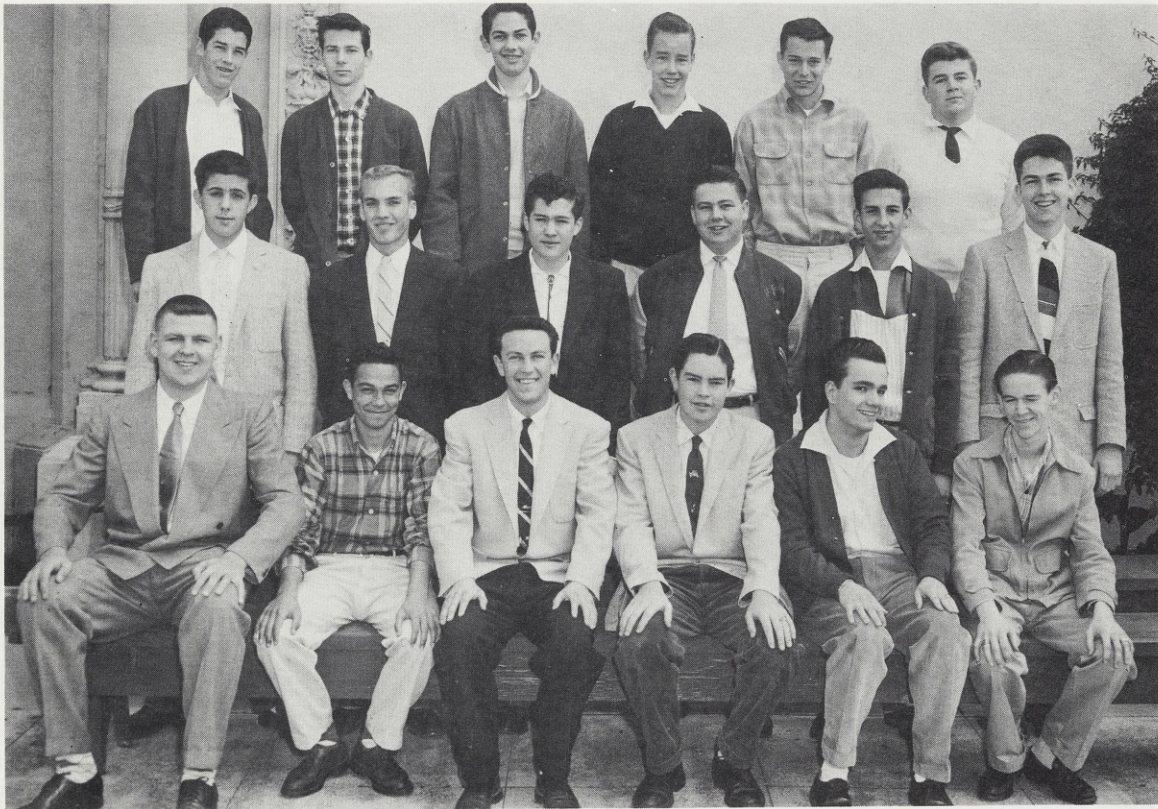

TOP ROW, left to right: J. McNamara, R. Cragin, M. Hallisey, D. Williamson, A. Shelton, R. Smith, S. Kalthoff, J. Immethun.
SECOND ROW, left to right: W. Burdett, W. Burke, D. Verhees, R. Grant, E. Therrien, A. Fassiotto, P. O'Sullivan, R. Saake.
FIRST ROW, left to right: R. Coelho, L. Ensel, E. Medeiros, L. Borello, J. Hallahan, M. Gericke, R. Nahm.

Junior A was under the leadership of their moderator, Brother John Vermaelen, and their officers: Bob Saake, president; Ed Therrien, vice-president; Earl Medeiros, secretary; and Mike Hallisey, treasurer.

In sports the juniors were second only to the seniors (naturally). In varsity basketball Mike Hallisey proved that he'll be a real threat next year; the J. V. 's claimed Don Verhees. Baseball called Bob Cragin and Tony Fassiotto, while Mike Gericke and Rich Nahm answered the lure of the track.

Bob Cragin and Bob Saake upheld the scholastic honors of the class by qualifying for C. S. F. membership.

Junior B

TOP ROW, left to right: D. Donahoe, R. Shannon, R. Benjegerdes, T. Goldt, R. Dwelly, P. Henneberry.

SECOND ROW, left to right: J. Roldao, J. Orrell, R. Flaherty, P. Steinhart, K. Perry, J. Sarsfield.

FIRST ROW, left to right: J. Savage, L. Travers, T. Kline, G. McMahon, P. Selo, R. Murry.

The smallest class in the school proved to be an active one. Junior B elected Tom Kline, president; Dave Donahoe, vice-president; Phil Steinhart, secretary; and Tom Goldt, treasurer.

Track attracted Bob Benjegerdes, John Orrell, and John Sarsfield. Varsity Basketball claimed Rich Dwelly, Dave Donahoe, and Tom Goldt, all good prospects for next year. On the J. V. 's were Tom Kline, Jose Roldao, and Len Travers. Baseball had Ken Perry and Len Travers both on the mound.

John Sarsfield was the lone C. S. F. member of the class.

Junior B moderator was Brother Charles Boglitz, S. M.

Sophomore A

TOP ROW, left to right: J. Brown, A. Anderson, E. Alvarez, R. Alves, P. Fennelly, A. Schatz, L. Strand, M. Schirmer, T. Eller, T. Lastiri, R. Caporgno.

Last year's freshmen returned stronger than ever. With talents curricular and extra-curricular, the boys from Soph A usually placed well in the drives this year. Officers were Bob Silva, president; Mike Schirmer, vice-president; Harold Boscovich, secretary; and Vince Benedetti, treasurer.

On the playing field the sophs excelled in track, with Mike Schirmer, Larry Smith, Dave Kennedy, Harold Boscovich, Ernie Alvarez, Larry Strand, and Tom Lastiri competing. Baseball drew Phil Mondello, and J. V. basketball found Mike Schirmer a star attraction.

Sophomore A moderator was Brother Bernard Medeiros, S. M.

Sophomore B

ABSENT: J. Keaney.

Also an athletic class was Soph B. They made up the remainder of the J. V. basketball squad and helped boost track enrollment. On the J. V. basketball team were Tom Murray, Jim Collins, Jim Rogers, Dick Stokes, and Jerry McCormick. Track was aided by Larry Yocum. Jim Thomas, Dave Lee, Joe Perry, Joe Devine, Felix Porraz, Tom Murray, and Joe O'Hagan.

Scholastically, too, the sophs excel, with John Collins, Clint Clausen, and Jim Collins gracing the C. S. F.

The class president was Jim Collins. Soph B's moderator was Brother Melvin Silva, S. M.

FIRST ROW, left to right: C. Silva, D. McLean, B. Kulberg, R. Stanley, J. Caron, K. Nightingale, B. Babb, D. Matteri, M. Brown.

To the rest of the school this year's freshmen looked like a pretty spirited class. After a rousing initiation they began to fit into the whole setup. Freshman A elected officers as follows: President, Brendan Babb; Vice-President; Fran Wegener; Secretary, Tony Guichard; and Treasurer, Mike Brown.

The Frosh went all out for track: Brendan Babb, Jerry Fletcher, Bob Freuler, Don McLean, Ed Medeiros, John Parker, Jim Thompson, Tom Waldrip. However, they must also be hitting the books, for C. S. F. members include Tom Brackett, Bob Ewing, Jerry Firpo, Tony Guichard, John Parker, and Fran Wegener.

ABSENT: C. Bryant.

Frosh B was a small but spirited class. They were always in the fight, Rag Drive, Magazine Drive, etc. As officers this year they elected as President, Ted Kovacevic; as Vice-President, Ron Camacho; as Secretary, Len Angelo; and as Treasurer, Rudy Babbino.

Tracksters from Frosh B included Tom Rogers, Rudy Babbino, Ed Pestana, Nuel Wallace, Ron Camacho, George Heneger, Tom Tate, and Joe Elam.

The California Scholarship Federation, as the name implies, is a statewide honor society for high school students. Students qualify by accumulating a sufficient of points each semester on the following basis: three points for each A in a solid subject, and one point for each B. Points are also given for extracurricular activities, to the extent of two points of the needed ten.

Congratulations are in order this year to Peter Lillevand and Robert Whelton, who have qualified as Life Members. Robert Saake and John Sarsfield of the junior class have been three-year members of the C. S. F.

This year the Dramatics Club again gave a good account of itself. Together with the girls from Notre Dame the Footlighters presented "Meet Me in St. Louis." Giving fine performances in this play were Thomas Brass, Robert Whelton, George Champagne, John Sarsfield, Philip Steinhart, and Peter O'Sullivan.

The Footlighters' second smash hit was "Lucifer's Lodge." Again Thomas Brass, Robert Whelton, Philip Steinhart showed their talent. They were ably assisted by Robert Saake, Paul Buerg, Patrick Murry, James Rogers, Lawrence Yocum, Peter Hoerst, and David Lee. The backstage crew should take a bow for a job well done.

Brother Bernard Medeiros, S. M., earned the appreciation of the students for his work with the Dramatics Club this year.

This year the Chi Rho Mu, St. Joseph's Speech and Debate Club, under the direction of Brother Bernard Medeiros, S. M., was received into the National Forensic League and a chapter was established here. This year is also the fourth in which there has been a chapter of the Northern California High School Speech Association at St. Joseph's.

The officers of the Speech Club were David Boland, president; John Sarsfield, vice-president; Robert Saake, secretary; and Philip Steinhart, treasurer.

The Speech Club entered meets at St. Mary's College, the University of San Francisco, University of Santa Clara, Abraham Lincoln High School, St. Ignatius, Riordan High, and Thomas Downey High in Modesto.

This was a very good year for the club. Robert Whelton won first place in the Alameda County American Legion Speech Contest. Philip Steinhart placed first in the county in the Native Sons of the Golden West Speech Contest.

The varsity members of the debate squads were David Boland, Robert Whelton, Robert Saake, John Sarsfield, and Philip Steinhart. Junior varsity members were David Lee, Lawrence Campanile, John Collins, James Collins, Lindsey Kalal, and Francis Wegener.

KNEELING, left to right: G. Palmer, J. Parker, B. Babb, M. Brown, J. Sarsfield.

Quality instead of quantity seemed to be the Contact motto this year. When it appeared, it was excellent, but we didn't see it often enough.

Brother Bernard Medeiros, S. M., was moderator. He was assisted by Robert Pola as editor-in-chief, Grant Palmer, John Sarsfield, Bob Cragin, Joseph McNamara, Michael Gericke, John Parker, Francis Wegener, Michael Brown, and Brendan Babb.

Left to Right: R. Murry, D. Boland, P. Murry, H. Boscovich

Library

Staff

This year's small, but highly efficient staff was headed by Brother Charles Boglitz, S. M. Each individual had his own particular job. Patrick Murry was the head student librarian. David Boland was in charge of filing and cataloguing the new books, of which there were about two hundred. Robert Murry took care of the fines, and Harold Boscovich helped at the desk.

Although showing a definite improvement over last year's club, Coach Joe Ovalle's Cagers didn't measure up to many pre-season predictions.

Injuries played their part. During League competition, the team played many games with only four first stringers present, and one with only three present.

The highlights of the season were the win streak of three, including as a victim Balboa, which has a student body outnumbering us fifteen to one, and a hard-fought League victory over Bellarmine.

Pete Lillevand was the floor leader and led the team in scoring. Vince Keane and Don Coughlan divided innumerable rebounds between them and scored their share of buckets. Mike Hallisey and Tom Goldt proved with their scoring that they would form a strong nucleus for next year's club. Lillevand made second string All-League and second string All-Catholic.

This year's Junior Varsity Team had the best won and loss record since 1953 when we won the League Title. Showing definite Varsity promise were Jim Rogers, Tom Kline, Tom Murray, Lenny Travers, Jim Collins, and Mike Schirmer. Coach Joe Ovalle should be given a pat on the back as he had to divide his time between the J.V.'s and the Varsity.

Baseball

BACK ROW, left to right: R. Ewing, J. Guichard, D. Matteri, M. Devlin, L. Travers, A. Sanderson, J. Rogers, P. Mondello.

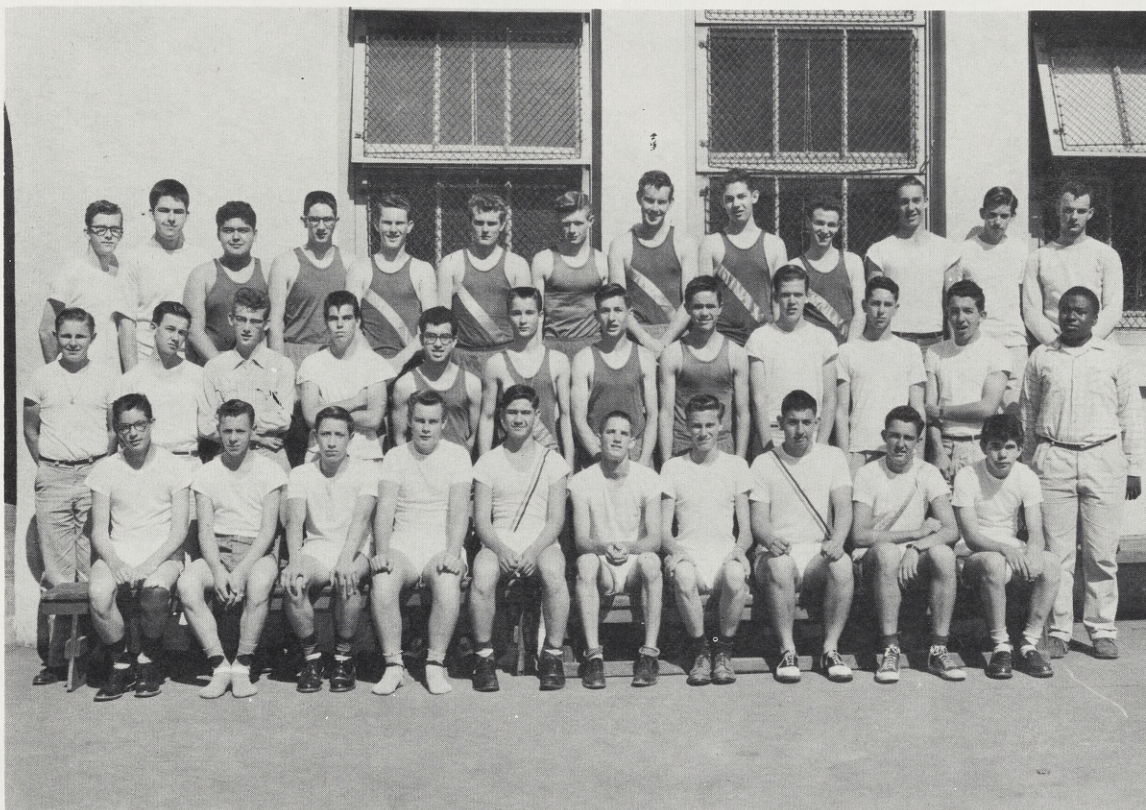

FRONT ROW, left to right: J. Elam, mgr., D. Devine, mgr., R. Cragin, E. Cragin, J. Molinari, K. Perry, J. Verhees, A. Fassiotto, D. Coughlan.

This year's Baseball Team didn't seem to be able to put its abilities to full advantage in any one game. When the team was hitting, it couldn't field; when fielding well it couldn't hit.

The team was composed of seniors, Mike Devlin, John Molinari, Arleigh Sanderson, Don Coughlan, Jeff Verhees, Ed Cragin; juniors, Ken Perry, Len Travers, Tony Fassiotto, Bob Cragin; sophomores, Jim Rogers, Phil Mondello; freshmen, Tony Guichard, Bob Ewing, Dave Matteri.

Although the team had little luck, Coaches Grant Sanderson and Brother Weiss kept the team out on the field hustling. Next year's team will be fortunate to have nine veterans returning to the squad.

Track

TOP ROW, Left to right: P. Buerg, J. Sarsfield, E. Alvarez, D. Lee, C. Schirmer, L. McGovern, C. Holcomb, T. Murray, R. Benjegerdes, M. Gericke, L. Strand, J. Thomas, D. Breedlove.
SECOND ROW, Left to right: T. Tate, J. Parker, J. O'Hagan, G. Heneger, F. Porraz, R. Nahm, L. Yocum, J. Perry, T. Waldrip, L. Smith, D. Kennedy, J. Brown.
FIRST ROW, Left to right: J. Firpo, H. Boscovich, N. Wallace, D. McLean, R. Camacho, J. Elam, J. Thompson, E. Medeiros, M. Pickard, E. Pestana.

The Track Team this year showed good possibilities but lack of experience was very evident in the first few meets.

Mike Gericke and Rich Nahm showed very good promise in the sprints. Mike Schirmer looks as if he will develop into an excellent middle distance runner in the next two years.

The graduating seniors who turned in creditable performances were "Most Valuable" Paul Buerg in the middle distances, Larry McGovern in the hurdles, Dennis Breedlove in the Shot-Put, and Clyde Holcomb in practically everything.

Again a hearty thanks to Coach Joe Ovalle for finding time, aside from his heavy teaching duties, to coach both Basketball Teams and the Track Team.

This year the Block Club at St. Joseph's finally got to be a healthy looking organization again, that is, the membership increased to almost twenty-five. The club, under the steady influence of Brother Charles Weiss, sponsored a very successful dance at the start of the year. Pete Lillevand reigned as president, while Vince Keane was elected vice-president.
